

2021 Young Adults Camp

July 12-16, 2021

9:00am - 3:00pm

Young Adults camp is open to students age 12-16, and 11 year old Red Belts and Black Belts. These students have greater capabilities that need to be encouraged and challenged to bring out the more mature martial artist we know is inside these students.

This camp it is an excellent way for new students to establish a solid foundation in Taekwon-do fundamentals, and for experienced martial artists to improve their minds and bodies. Emphasis will be placed on the cerebral side of Taekwon-do and on deepening an understanding of the higher concepts within Taekwon-do training while still working on age-appropriate physical conditioning.

Activities will take place in our large, bright, air-conditioned space, as well as outdoors. A typical day at camp includes two Taekwon-do lessons, team building games, and talk about Taekwon-do concepts and theory. Campers have a lunch hour which includes time for games.

Specifics about camp will depend largely on the general COVID-19 status for the State of New Jersey but we successfully ran camps in the summer of 2020, and we feel confident we can provide a fun and safe experience for the students. It is possible we may be able to ease some of the rules but that decision will not be made until close to the beginning of camp.

Camp meets Monday through Friday, 9:00am-3:00pm. Doors will open starting at 8:45 if you wish to drop your child early. We will spend some time in the Taekwon-do school and some time outdoors in the park. Please arrive on time as some mornings we will be leaving the school to go to the park right away. All travel to parks or other outdoor sites will be by walking.

The following are our guidelines based on the 2020 Camp rules. They are here as a guide to parents and guardians as to what to expect, and may be changed as we see how things are with regard to COVID-19 when we are closer to the camp dates.

Camp Guidelines

- Participants must bring:
 - A mask or face covering, plus a spare. Masks should be changed if they become wet, for example if someone sweats a lot during training
 - Snack, lunch and refillable water bottle
 - A towel to sit on
 - Campers will arrive in street clothes and will bring their belt
 - Campers will need to wear appropriate shoes to walk to the park and to practice in
- Activities will take place outside and in our large, bright, air-conditioned space
- Being outside means we will be paying extra attention to keeping everyone hydrated, so campers should not bring a small water bottle.
- Campers will stay in street clothing all day, including during Taekwon-do practice. This means that they will be walking to the park and practicing in shoes, and campers cannot wear flip flops or crocs. The shoes they wear need to be comfortable for walking and practice.
- Campers should arrive with sunblock applied, they can re-apply as needed.
- In case of rain we may still go outside so campers are welcome to bring a jacket or cap. Campers should keep in mind that white or light-colored shirts can become transparent when wet.
- Participants should be dropped off each day at Glen Ridge Taekwon-do between 8:45-9:00am. Pick up will be at the same location at 3:00pm.
- Upon arrival all campers will be checked for COVID-19 symptoms including a temperature check
- *For health reasons we will not be providing food or snacks to campers*
